Specification

General	
Model Name	GYN-M1101
Power Voltage	DC 12V/2A power adapter (AC 100-240V, 50/60Hz input)
Housing Material	Plastic
Color	Black
Power Consumption	6W
Standby Power Consumption	Less than 0.5W

Accessory	Adaptor, HDMI cable, User Manual, IR Remote Controller
Decode	
Video decoder	H.264, H.263, MPEG 2/4 (1080p@30fps), 720P, 1080P HD, Support VC-1, VP8, RMVB
Audio decoder	MP3, WMA, APE, FLAC, AAC, OGG, AC3, WAV
Photo decoder	JPG, BMP, GIF, PNG
Video output	4:3/ 16:9/Full Screen
Video resolution	1080P
System	
CPU	ARM Cortex A8, 1GHz
Memory	512MB
NAND FLASH	4GB
Interfaces	DC, 4* USB Host, RJ45, HDMI, IR, Mini AV
Connection	
Network Access	Support DHCP、PPPoE, static IP network access; Built-in Wi-Fi Module, 802.11 b/g/n (11~150Mbps);
Networking Protocol	IGMP, RTSP/RTP/RTCP, SOAP, HTTP, HTTPS, FTP, TFTP, IP, NTP
Feature	
Platform OS	Android 2.3.1
Application	Google Play, On-line Infotainment, Games
Content Access	Internet Open Content Source
On-Screen Display	Several Options, Customizable, Multilanguage
Media Playback	Video/Audio/Picture
Local Playback	Internal Flash, USB storage, USB HDD with file browser for file management
System Upgrade	Automatic upgrade system firmware through USB disk
Content Access	Internet Open Content Source
File system	Support FAT32、NTFS、Ext2、Ext3、Ext4
Media Share	Support DLNA (DMR, DMP), Multi-Platform media share can be available
Model Name	GYN-M1101
Power Voltage	DC 12V/2A power adapter (AC 100-240V, 50/60Hz input)
Others	
Housing Material	Plastic
Color	Black
Body size	150.5*97.5*32.3 mm
Net weight	Roughly 160g
Power consumption	6W
Standby Power Loss	Less than 0.5W
